School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

These charts show the total general purpose revenue Fontana Unified expects to receive in the coming year from all sources.

The total revenue projected for Fontana Unified is \$488,748,134, of which \$405,533,393 is Local Control Funding Formula (LCFF), \$54,906,322 is other state funds, \$2,893,979 is local funds, and \$25,414,440 is federal funds. Of the \$405,533,393 in LCFF Funds, \$101,153,651 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

In 2019-20, Fontana Unified is projecting it will receive \$101,153,651 based on the enrollment of foster youth, English learner, and low-income students. Fontana Unified must demonstrate the planned actions and services will increase or improve services for high needs students compared to the services all students receive in proportion to the increased funding it receives for high needs students. In the LCAP Fontana Unified plans to spend \$107,157,939 on actions to meet this requirement.

LCAP Expenditures for High Needs Students

Comparison of Budgeted vs. Estimated Actual Expenditures

Category	Amount
Total Budgeted Expenditures for High Needs Students in the LCAP	\$115,489,416
Estimated Actual Expenditures for High Needs Students in LCAP	\$106,397,477

This chart compares what Fontana Unified budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what Fontana Unified estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2018-19, Fontana Unified's LCAP budgeted \$115,489,416 for planned actions to increase or improve services for high needs students. Fontana Unified estimates that it will actually spend \$106,397,477 for actions to increase or improve services for high needs students in 2018-19. The difference between the budgeted and actual expenditures of \$9,091,939 had the following impact on Fontana Unified's ability to increase or improve services for high needs students:

The district's commitment to increasing and improving services to high needs students continues to be a top priority for the district. The main component for estimated actual expenditures not meeting the total amount budgeted was a change in program development for actions and services such as the 1:1 technology rollout device, less than anticipated school sites innovation proposals, and a change in instructional programs and services.
