A language other than English was noted on your child's Home Language Survey when your child first enrolled in our school. The Initial English Language Proficiency Assessments for California (ELPAC) identifies students as an English learner (EL) student or as initial fluent English proficient. State and federal laws require us to assess your child and notify you of your child's English language proficiency level. We are requ2 (ua)-12. iu(es) amposite Don

The expected rate of graduation for students in this program is 85%.

Parents or guardians may choose a language acquisition program that best suits their child (EC Section 310). Language acquisition programs are educational programs designed to ensure English acquisition occurs as rapidly and effectively as possible. They provide instruction to EL students based on the state-adopted academic content standards, including English language development (ELD) standards (20 U.S.C. Section 6312[e][3][A][iii],[v]); EC Section 306[c]).

We are required to offer, at minimum, a program option (EC Section 305[a][2]). It is a language acquisition program for EL students in which nearly all classroom instruction is provided in English, but with curriculum and a presentation designed for students who are learning English. At minimum, students are offered designated ELD and provided access to grade level academic subject matter content with integrated ELD.
