

The initial Schoolwide Plans for Student Achievement (SPSAs) were approved by the Board on June 10, 2024. As part of the initial School Plan, School Site Councils (SSCs) included a prioritized list of unfunded priorities with estimated costs to cover increased school financing cases, SSCs have elected to modify their priorities, or the amount of additional funds received exceeds the estimated costs associated with their original priorities. As a result, a material change to the original School Plan occurred. Per Education Code 64001(g)(h), the SPSA must be reviewed and approved by the local governing body if there are material changes that affect the academic programs in the SPSA. The SPSA template reflects the material changes. Examples of material changes include:
