ITEM TITLE: Adopt Resolution

BOARD OF EDUCATION MEETING: 02/17/10
Discussion/Action Session

BACKGROUND:
The Fontana Unified School District regularly adopts resolutions in recognition of special events related to education. School administrators are passionate, lifelong learners who believe in the value of quality public education. Most school administrators began their careers as teachers. The average administrator has served in public education for more than a decade. Most of California's superintendents have served in education for more than 20 years. Such experience is beneficial in their work to effectively and efficiently lead public education and improve student achievement. It is, therefore, requested that the Board of Education support March 2-6 as the Week of the School Administrator.

FISCAL IMPLICATION:

RECOMMENDATION:
The Superintendent recommends that the Board of Education adopt Resolution 10-13 recognizing March 2-6, 2010 as Week of the School Administrator in recognition to school administrators for contributions they make to successful student achievement.
