ITEM TITLE: Public Hearing and Action on
Parcel Tax Resolution

BOARD OF EDUCATION MEETING: 03/21/11
Discussion / Action Session

BACKGROUND:

The Fontana Unified School District is committed to offering its students a challenging and quality education, versed in the arts and academics, with emphasis in math, science and English proficiency. Securing an exceptional program requires adequate funding. The District is faced with the most severe financial emergency of the post-Proposition 13 era. The District has had to cut, re-allocate and/or delay over \$50 million in educational programs or services because of the financial emergency. Future cuts appear likely. If the District does not get additional funding, then the alternative is to further cut the District's budget to meet the budgetary demands. This will mean fewer staff, larger classes, and fewer programs for our students, less maintenance, and general deterioration of District property. The State of California has failed to provide adequate funding and has deferred funding. A temporary solution to stem the crisis and return the District to 2004/05 status of providing smaller class sizes and exceptional programs is through Section 4 of Article XIII C of the California Constitution and Sections 50075 and 50079 of the California Government Code. The provisions authorizes a school district, upon approval of two-thirds of the electorate voting on the measure, to levy a special tax for specified purposes following notice and a public hearing.

As a special tax the funding mechanism, the revenue received can only be used for the purpose stated in the resolution ordering the election. Low income seniors can be made exempt from the parcel tax, but would have to apply for the exemption. The tax would be a Temporary Emergency Educational Tax that is collected by the San Bernardino County Tax Collector.

At its meeting on March 16, 2011, the FUSD Board of Education voted to hold a special meeting for a public hearing and consideration of adopting the resolution ordering a special election.

FISCAL IMPLICATION:

Potentially may fill a gap in funding for educational purposes.

RECOMMENDATION:

This item is for the Board to hold a public hearing and consider action to adopt Resolution No. 11-53 ordering a special election for the purpose of submitting to qualified electors of the District the question of levying a qualified special tax upon each parcel in the District for educational purposes and establishing the specification of the election order.

- Protect the taxpayers' investment in education and ensure District accountability by providing for oversight and independent financial audits of revenues and expenditures.

The Board of Trustees will utilize parcel tax proceeds for the purposes listed above, unless the Board of Trustees determines in any given year that changes in student population, fiscal constraints, or other changes in state or federal funding make doing so infeasible or inadvisable. In any event, the Board of Trustees will not fund any program or reduction other than those listed above from the proceeds of the special parcel taxes.

The Community Oversight Committee will review the expenditures of these funds by the District and will report on an annual basis to the Board and to the community on how these funds have been spent.

PROTECTION OF FUNDING

Current law forbids any decrease in State or Federal funding to the District because of the District's adoption of a parcel tax. However, if any such funds are reduced because of the adoption of this parcel tax, then the amount of the special parcel taxes will be reduced annually as necessary in order to restore such State or Federal funding.
