BOARD OF EDUCATION MEETING: 05/04/11
Discussion/Action Session

BACKGROUND:

Nonpublic, Nonsectarian Schools are privately operated publicly funded schools that specialize in providing educational services for students with needs so exceptional that they cannot be met in a public school setting. Many of these students have been hospitalized or are receiving treatment for mental health illnesses. The Special Education Local Plan Area (SELPA) for Fontana Unified School District regularly enters into agreements with nonpublic, nonsectarian schools/agencies to provide services for students beyond those which the district can accommodate. On 08/18/10 the Board of Education ratified contracts with Advanced Education Services Hillview School, Altus Academy, Universal Health Services, Inc. (name change to Academy Business Services) nonpublic nonsectarian schools/agencies; however, due to an increase of students placed at each of these sites, per their Individualized Education Program (IEP), it is necessary to increase the original amount.

ITEM TITLE: Accept Changes to
Administrative Regulation 1330

BOARD OF EDUCATION MEETING: 05/04/11
Discussion/Action Session

BACKGROUND:

The District allows the use of school facilities by non-school groups for a variety of public and private, profit and non-profit purposes as provided in Board Policy (BP) 1330, Use of School Facilities. Several years ago, the District determined the "fair market" cost for school facilities use with costs broken down into typically requested areas such as the multi-purpose room, classrooms, field areas, parking lot, etc. Costs are understood to represent the value to rent similar facilities in the private sector and the surrounding school districts. Costs are based on area used, supplies, utilities, custodial and personnel services including the time duration directly related to the organization's use of the facilities. In keeping with the current value of direct costs and confirmed market rental values, Administrative Regulation (AR) 1330, Use of School Facilities, has been updated and is being provided for review by the Board of Education. The procedures in the accompanying Administrative Regulation are used to carry out the Board Policy. The Board Policy has not been revised and is being provided as information. The current Exhibit to the Board Policy has been incorporated into the Administrative Regulation.

FISCAL IMPLICATION:

None

RECOMMENDATION:

The Superintendent recommends that the Board of Education accept the changes to Administrative Regulation 1330, Use of School Facilities.

RESOLUTION NO. 11-62

Support for Senate Constitutional Amendment 5 (Simitian)

WHEREAS, Senate Constitutional Amendment 5 (Simitian), which reduces the two-thirds vote requirement on parcel taxes, will be acted on by the California State Legislature; and

WHEREAS, reductions in the state General Fund revenue have led to reduced school funding; and

WHEREAS, parcel tax revenue can provide a stable, predictable source of school revenue; and

WHEREAS, passage of SCA 5 will empower local voters to invest in their schools based on the needs of their communities by requiring a tough, but fair 55 percent vote to pass local parcel taxes, while protecting taxpayers and homeowners with accountability provisions that will ensure funds generated from parcel taxes are not wasted or mismanaged; and

WHEREAS, revenue from parcel taxes can be spent according to local priorities and are not subject to state control; and
