Comments

William Megenney, Chief of Police Services, thanked the City of Fontana and City Council for the donation of three police cars, provided information on the upcoming Safety Summit, commented on the hiring of three new District Security Officers and a Police Officer, and on a lecture to be given the following day regarding safety in schools.

Alejandro Alvarez, Associate Superintendent of Business Services, introduced the newly appointed Assistant Principal for Alder Middle School and gave a review and explanation of the District's four year analysis and actual/estimated 2011-12 cash flow, with more details to be provided in December with the First Interim report.

President Chavez commented on the bulletin board displays in the room done by Randall-Pepper Elementary School, and asked if all schools were implementing Professional Learning Communities. Mr. Dueñas provided information on district-wide implementation of PLCs; Ms. Chavez shared that she had been impressed at what she had seen. Ms. Chavez continued that she knew there were positions they needed to look at but also needed to be conservative with the District’s money and be very careful; if the budget was looking good it was only because of cutting positions like they had to. She noted that she missed the Superintendent but did not want her back until she was perfectly healthy. Ms. Chavez commented that she had visited Poplar Elementary School over the concern of the teacher who spoke at the previous meeting about being in fear of going to work. Ms. Chavez spent the morning and afternoon at the school and found nothing; everyone was pleasant and happy. She stated that she didn’t understand the problem and was still hoping for a forum for parents to come and speak without any staff from the school being there, and that the Principal seemed a little stressed because she was trying to please everyone. Mr. Alvarez noted that he was trying to schedule a forum in conjunction with a School Site Council or English Learners Advisory Council meeting.

Discussion/Action Session

BACKGROUND:

Education Code Sections 5017, 35143 and 7200 0(c)(2)(A) require that governing boards hold an annual organizational meeting to elect officers. A school district governing board must also select one of its members to serve as its voting representative/elector at the annual October meeting of school and community college district representatives at the organizational meeting. Newly elected and re-elected Board members also take their Oaths of Office at this meeting.

Fontana Unified School District Board Bylaw 9320, Meetings and Notices, provides that at the annual organizational meeting the Board of Education also appoints the Superintendent as secretary to the Board and authorizes signatures. The organizational meeting must be held at the first meeting within fifteen days commencing with and including the first Friday in December (December 2 – December 16, 2011). The organizational meeting must be selected by the Board at its regular meeting held immediately prior to the first day of this 15-day period.

BOARD OF EDUCATION MEETING 11/16/11
Discussion/Action Session

BACKGROUND:

At the November 2, 2011 regular Fontana Unified School District Board of Education meeting, Board Member Kathy Binks asked that a policy be devised for the Board members to police themselves. President Chavez, Board Members Green and Hawthorn agreed with Mrs. Binks' request. Legal advice was provided that such a policy (bylaw) would have to be developed by the Board members themselves.

Advice from Legal Council was provided that the proper way to address suggested changes to Board Bylaws would be for the Board to appoint a committee of two of its members to review bylaws, provide suggestions for changes, then report back to the rest of the Board at a regular meeting.

FISCAL IMPLICATION:

None

RECOMMENDATION:

This item is for the Board of Education to consider appointing two members as a committee to review Board Bylaws.
