I wish to thank you for membership retiree ASFSC to be
committee. I believe that what we do as parents and at
parent school level forms our children's participation
future. and this committee will provide
me the opportunity to ensure that all policies and
procedures are met but most important that our voices
are heard and needs are met

text on subject

I am very involved with my children's education. I would love to take an active role in the school's after school programs. I am a former teacher and I would love to help the school in any way I can.

As a retired FUSD principal I have first hand experiences with the ASBES program that will be helpful in seeking independent ways with stakeholders to provide insight into different ways to meet the needs of students and serve the community.
