
All Summit High School athletes must complete the online clearance FOR EACH SPORT they are going to participate in during the **2023-2024** school year. They must have a new physical on file dated **within a year prior to participation**. Below are the instructions for completing the online clearance.

Did you complete the online athletic clearance in 22-23? If so, you may use your same account for this school year; you just need to update the information. If you are new to online athletic clearance, please create a new account for your family.
